

## Renewal Requirements – Five-year Credential

- Applications for renewal may be made between January 1 and August 31 of the renewal year.
- Complete at least six (6) semester credits during the validity period of the credential.
- At least three (3) of the semester credits must be taken for college or university credit.
- Idaho district/charter school/private school in-service hours may be applied toward up to three (3) credits. Must submit signed *Idaho District/Charter School/Private School Approved In-Service Verification of Completion Form*

### **FOR ADMINISTRATOR CERTIFICATES ONLY:**

To renew administrator certificate, must complete three (3) transcribed credits in the Idaho framework for teachers' evaluation pursuant to IDAPA 08.02.02.015.10.d.

## Requirements of Interim Certificates

- Specific requirements are listed as conditions in the bottom half of this credential.
- If Interim Certificate is a one (1) year authorization, you will need to meet the requirements to qualify for renewal.
- If the Interim Certificate is a three (3) year certificate, you will need to meet the requirements to qualify for a five-year credential.

Certification requirements are subject to change. The certified individual identified below is responsible for knowing current and revised regulations. Please note the expiration date, as you will not receive a renewal notice. For information and forms please see <http://www.sde.idaho.gov>
